

Nissan Forklift Part

Nissan Forklift Parts - Nissan takes great pleasure in reaching complete consumer satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and detail-oriented quality standards to their customers. Incorporating a prosperous heritage combined with strong production principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to delivering customer support, the company has four independent production facilities that allow them to constantly adapt to their customers continually evolving requirements by offering an array of progressive ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fabrication, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using systems and procedures that lessen their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their consumers demand whilst being an environmentally conscious company.

Nissan is confident that they will be capable of addressing any customer questions or concerns. Always available through their website or by calling 800.871.LIFT, contacting one of their locally endorsed sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
