

American Lincoln Part

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the business they are recognized in the business as providing strong and durable equipment that satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States of America; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are obtainable in the market under the trade mark name "Encore". American Lincoln can provide equipment, parts and warranty service for these kinds of scrubbers that have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where efficiency and results make a difference. Recently, this floor scrubber model has been requested by the architects in new construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's high standard of quality and supreme performance level for polishing concrete.
