

Trek Parts

Trek Part - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their customers.

TREK Cleaning Machines always provides fresh design concepts as shown in their product development. They like providing products which energize both their partners and their dealers and provide production gains to their clients.

The TREK team of staff likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, together with owners' strong desire to dramatically lower cost through productivity gains.

When needed, the employees within TREK and its numerous dealer members in both parts and in technical support would be obtainable. One of their core values is their high service devotion in their customer service. Keeping their clients' cleaning machinery working and ready day by day is top priority. The company's top of the line technology delivers dependable equipment that ultimately lessens your cost of cleaning. The service, the product and the price all work as one to be able to make them an industry leader.
